

Spring Discipleship Listing

Discipleship is vitally important in the lives of Christians. Connecting with other believers and studying the Word of God together helps us grow individually and as a Church. Our goal is to help each person of Net Community develop into fully-equipped disciples of Jesus. Community Groups and Net Communities (NC's) will enable us to connect, learn, give and grow alongside of others.

We will always be centered in the Bible as we strive to learn, grow and encourage one another on our journey. Whether you need to learn bible basics, dig deeper in your knowledge, or just be encouraged by other people; these groups apply to you. We encourage you to find a group and get plugged in this fall at Net Community!

Community Groups are short-term bible studies that meet at Net Community Church. We offer new groups each Fall, Winter, and Spring. These groups typically run from 6-9 weeks in length and they cover new topics each season.

Net Communities (NC's) are groups that meet throughout the year in homes or out in the community. We have groups that are location or stage-of-life based. Each of these groups look a little different, but all will connect, learn, give and grow through fellowship and the studying of scripture.

Childcare:

Childcare is available for those attending Sunday night Community Groups. Children must be pre-registered to ensure that we have space. Register your child when you sign up for your Community Group (online or at the Connect Center). Children within NC's will differ from group to group, please check the group listings for more information.

Getting plugged in:

Sign up at the Connect Center or online to reserve your spot. Some groups do have a small fee to cover the cost of a workbook.

Sunday Evening Co-Ed Groups 6-7:15pm

The Book of Malachi led by Jay and Ali Mason **No Cost**

Mediocrity was never God's plan for you. In this challenging series, we cut to the chase by listening in on conversations between God and His people, recorded by the prophet Malachi. If you're tired of going through the motions of an attendance-based faith, then discover what it means to live a vibrant, abundant life fully devoted to the God whose immeasurable love for you is based on His promise, not your performance. And even amidst the struggles and imperfections of your ordinary life, embrace the extraordinary righteousness that is yours through Jesus.

Net Foundations led by Derrick and Ailee Taylor **Cost: \$15**

This is one of our core Net Community classes that we encourage everyone to take. This session will take a closer look at foundations in faith (reading the Bible, how to pray, understanding baptism and other common topics). This session also takes a look at being a healthy church member and understanding how to be a great church attender or member.

The Power of Knowing God led by Robert Semanik **Cost: \$10**

The book of Romans is considered by many to be one of the most important books ever written on the Christian faith. Writing to Christians, the apostle Paul defines the gospel, explores its depths, and discusses its significance and implications for the Christian life. Discover the timeless relevance of the book of Romans and encounter the power of the gospel.

The Ruthless Elimination of Hurry led by Jeremy and Stevi Johnson **No Cost**

We are all busy. Our busyness can feel productive but it is a toxic distraction, sapping our spiritual, physical, and emotional vitality. This group addresses one of the greatest threats to our spiritual lives: hurry. Instead of allowing our calendars and screens to control our lives, Jesus offers us a new rhythm of life, overflowing with grace, peace, and beauty. Optional Book to buy on your own: *The Ruthless Elimination of Hurry* by John Mark Comer.

Net Youth led by Logan Urbeck for students in 6th-12th grade **Meets in the Youth Room**

Youth enjoy high energy games, relevant lessons to help them navigate a complex world and small group time to help with meaningful conversations and connections. Youth can come early at 5:30 pm for bonus games and fun. 6-7:15pm
