

Fall Discipleship Listing

Discipleship is vitally important in the lives of Christians. Connecting with other believers and studying the Word of God together helps us grow individually and as a Church. Our goal is to help each person of Net Community develop into fully-equipped disciples of Jesus. Community Groups and Net Communities (NC's) will enable us to connect, learn, give and grow alongside of others.

We will always be centered in the Bible as we strive to learn, grow and encourage one another on our journey. Whether you need to learn bible basics, dig deeper in your knowledge, or just be encouraged by other people; these groups apply to you. We encourage you to find a group and get plugged in this fall at Net Community!

Community Groups are short-term bible studies that meet at Net Community Church. We offer new groups each Fall, Winter, and Spring. These groups typically run 6-8 weeks and cover new topics each season.

Net Communities (NC's) are groups that meet throughout the year in homes or out in the community. We have groups that are location or stage-of-life based. Each of these groups look a little different, but all will connect, learn, give and grow through fellowship and the studying of Scripture.

Childcare:

Childcare is available for those attending Sunday night Community Groups. Children must be pre-registered to ensure that we have space. Register your child when you sign up for your Community Group (online or at the Connect Center). Children within NC's will differ from group to group, so please check the group listings for more information.

Getting plugged in:

Sign-up at the Connect Center or online to reserve your spot. Some groups do have a small fee to cover the cost of a workbook.

Sunday Evening Groups 6-7:15pm

Net Discovery a Co-Ed group led by Melody Westbrook and Dave Whitley **Cost: \$10**

This is our newest *core* class at Net Community! This session will explore the topic of spiritual gifts! Learn about God's original design of YOU. Through assessments and teaching, you will learn about your spiritual gift(s), personal style and ministry passion. This is a perfect *next step* for you if you've already taken Net Values and Net Foundations.

Net Foundations a Co-Ed group led by Derrick and Ailee Taylor **Cost: \$15**

This is one of our core Net Community classes that we encourage everyone to take. This session will take a closer look at foundations in faith (reading the Bible, how to pray, understanding baptism and other common topics). This session also takes a look at being a healthy church member and understanding how to be a great church attender or member. This is a perfect *next step* for you if it's your very first Community Group or if you have never taken this class.

Fireproof Your Marriage a Co-Ed group led by Randy & Pam Braman **Cost: \$10**

Fireproof Your Marriage is founded on Biblical principles for strong, God-centered, marriages. Based on the movie *Fireproof*, this session helps couples navigate key Scriptures, group discussion and individual and couple's devotions. No matter the stage of your marriage, we can all take time to ensure we are fireproof!

Better Man Defined a Men's study led by Jay Mason and Mason Bertolis **No Cost**

Better Man Defined: *Man's Guide to God's Word* will teach men how to courageously follow God's Word by showing them what it means to be God's man. Most men today live in a masculinity-fog, not sure what it means to be God's man. The world we live in promotes masculine confusion. Though the expressions of manhood change, the principles of manhood never change. They can't. They are God-designed and God-ordained. Jump in as we deep-dive into God's timeless design for manhood.

The Invisible War a Co-Ed group led by Robert Semanik and Wayne Bruhn **Cost: \$12**

The Invisible War offers a balanced look at what is going on in the spiritual realm and what believers can do to defend themselves. This is a deeper level class that is a good "next step" for a mature believer that has already taken other Community Groups.

Net Youth led by Logan Urbeck for students in 6th-12th grade **Meets at THE CENTER**

Youth enjoy high energy games, relevant lessons to help them navigate a complex world and small group time to help with meaningful conversations and connections. Youth can come early at 5:30 pm for bonus games and fun. 6-7:15pm
