Goliath Must Fall a Co-Ed group led by Jeremy and Stevi Johnson 6 week Session Cost: \$12

How do we overcome those battles in our lives that we always seem to be fighting? Learn to overcome the "giants" in your life—the fears and insecurities that keep you from reaching your full potential. It is not God's plan for you to live with a giant standing in the middle of your life, demoralizing you day after day. Our freedom and God's glory are forever interwoven into one story. God does want us to live free. He wants us to recognize that He's already killed the giant.

Apologetics a Co-Ed group led by Robert Semanik 7 week Session No cost

Many of our hearts honor Christ the Lord as holy... but are we always prepared to make a defense to anyone who asks you for a reason for the hope that is in you? Can you confidently do this with gentleness and respect? Weakness in these two areas can be the cause of many falling away from this hope; and/or rejecting this hope to begin with. This "custom" study will cover many apologetics topics to help strengthen your ability to stand firm in defense from attack, and to help be a springboard to direct people to the hope that is in you.

Experiencing God: Part 1 a Co-Ed group led by Ryan Wallace and Seth Flavio 6 week Session Cost: \$20

God is inviting you into a relationship through which He reveals to you His will, His ways, and His work. When you recognize where God is working, you can join Him in what He is doing. Carefully listening to His voice will anchor you in His plan and set you free to live it with boldness and freedom. Then you will experience God doing through you what only He can do.

***This is part 1 of the study, part 2 will continue in our Spring Session.**
